

Course # 100 Series (UAQTP) Uniform Air Quality Training Program

CLASSROOM & WEBCAST - NEW

Courses 101 - 115: The Uniform Air Quality Training Program (UAQTP) is a series of 14 courses (Classroom & Webcast) in 7 half day segments providing an introduction to air pollution control and enforcement. The program is intended for new, entry-level stationary source inspectors, regulatory agency staff, and environmental specialists in business and government. You will learn the basics of air pollution history, the evolution of air pollution laws and regulations, control equipment, and inspection procedures associated with proper compliance inspections.

This course is also being webcasted. If you are interested in taking the course via the internet, use the following URL link to participate in the class: <http://arb.ca.gov/webtraining/>
